Moving Lives Forward

June 05, 2020

Dear Friends and Family,

I pray that you and your families continue to stay safe and healthy. We continue to be vigilant and not lose focus on the safety precautions we have put in place here at Warde. We have been taking each day one at a time as we navigate through this ever changing landscape. Below I have included some new weekly updates and reminders.

In food service news we are always looking at new and creative ways to enhance our menu and dining services. This has been a bit of a challenge with the restrictions on community dining. We look at creative ways to garnish the plates and the presentation even with in-room dining. This summer we will be locally sourcing a variety of vegetables and fruits from Peters Farm right in Salem, NH.

The spirituality of our residents is at the forefront of the person centered care we provide here at Warde. Sister Kathy our pastoral care director has been taking this very seriously offering time for rosary and making the Eucharist available. She offers a supportive ear and kind heart to all of our residents in these trying times being separated from friends and family.

As a reminder Warde has added a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to take a look as we update the information on this page weekly. Facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself if you have any questions. Please keep us in your prayers.

Peace and Blessings,

A handwritten signature in black ink, appearing to read "Bret Pomeroy", with a large, stylized flourish at the end.
