Moving Lives Forward

July 10, 2020

Dear Friends and Family,

I pray that you and your families are healthy and safe in these unprecedented times. We continue to take one day at a time and focus on the safety and security of your loved ones. I have a few updates to share with you this week.

As stated in many letters before we will keep transparency about any changes we receive regarding COVID-19. This week we received a positive result on one of our staff members on the nursing home. In light of this we have put in place additional precautions and doing another round of COVID-19 testing for our nursing home residents. If this number increases we will be sure to inform you of these changes.

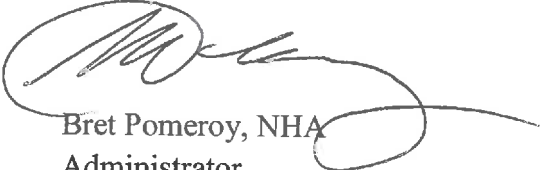

If you did not receive an email on Tuesday 7/7 informing you of this update, please reach out to Bernie at the front desk to provide her with the best means of contact. This will allow us to keep you updated in a timely manner.

As a reminder Warde has added a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to take a look as we update the information on this page weekly. Facility wide testing will also be reported on this site.

On a different note we had a lovely 4th of July celebration for our residents over this past weekend. A vibrant and lively program was coordinated by our Life Enrichment department. As we head through summer we also have a BBQ planned by our dietary staff so residents and staff can enjoy some food on the grill.

Please do not hesitate to reach out to our director of nurses or myself if you have any questions. Please keep us in your prayers.

Peace and Blessings,

Bret Pomeroy, NHA
Administrator
