Moving Lives Forward

July 31, 2020

Dear Friends and Family,

I pray that you and your families continue to stay safe and healthy. We continue to be vigilant and not lose focus on the safety precautions we have put in place here at Warde. We have been taking each day one at a time as we navigate through this ever changing landscape. Below I have included some new weekly updates and reminders.

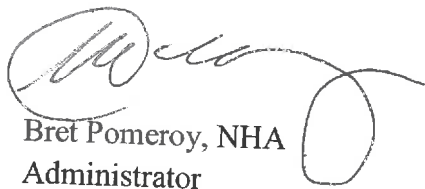

This coming week we will be able to start socially distanced group dining on the Assisted Living and Skilled Nursing floor, along with socially distanced activities. I know that our residents are very excited to start dining together again and the prospect of being able to see their peers.

We will also be looking to start outdoor visits once again for the end of next week.

As a reminder Warde has added a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to take a look as we update the information on this page weekly. Facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself if you have any questions. Please keep us in your prayers.

Peace and Blessings,

Bret Pomeroy, NHA
Administrator
