Moving Lives Forward

November 19, 2020

Dear Friends and Family,

Wishing you all a happy and healthy Thanksgiving. We continue to be in the eye of the storm as it relates to COVID cases in NH. Here at Warde we are taking it one day at a time staying hopeful and optimistic. I have a few updates to share over the past week.

At the writing of this letter both the Assisted Living and the Nursing home are under stricter quarantine precautions. This includes staff in full gowns, N95 masks, and gloves. This is due to potential staff exposure to COVID positive cases and potentially symptomatic staff members. We have conducted staff wide testing Thursday 11/19 and continue with complete staff wide testing weekly for the foreseeable future. At this current time we have no positive residents.

During this time visiting restrictions and quarantine protocol for 14 days when leaving the building are still be in place. We ask that you make your holiday plans with these realities in mind. We will be holding a full holiday meal for thanksgiving with all the fixings. To accompany the meal there will be a wine cart and fresh cut flowers.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Thank you all for your continued support and prayers. Please do not hesitate to reach out to our director of nurses or myself, if you have any questions. Please keep us in your prayers. Wishing you all a blessed and peaceful Thanksgiving.

Peace and Blessings,
