Moving Lives Forward

February 12, 2021

Dear Friends and Family,

I hope you all have been staying healthy and safe. I have a few updates to share over the past week. We have been working diligently to keep your loved ones and staff safe.

This week we have started socially distanced activities. It has been great to see the comradery and community this fosters. To mention a few events this past week, hallway bingo and bowling, which are two of our more popular activities, have been started up once again.. Over the next week we are going to asses starting socially distanced group dining.

I invite you to join us and spread the word about Warde's Facebook page. By joining us, this will give you updates every time we post new content. This is a new endeavor we will be taking on to give more real time goings on at Warde. You can expect to find posts of this letter, photos of activities, and educational posts. You can find us under the tag Warde Senior Living. This represents all aspects of Warde from the nursing home, assisted living, and independent living.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions. Please keep us in your prayers.

Thank You,

A handwritten signature in black ink, appearing to read "Bret Pomeroy", with a large, stylized flourish extending to the right.
