Moving Lives Forward

Dear Friends and Family,

I hope you all have been staying healthy and safe. I have a few updates to share over the past week. We have been working diligently to keep your loved ones and staff safe.

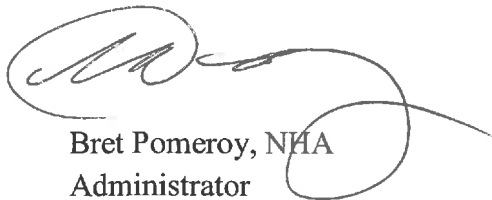

This past week we were visited by Health and Human Services for our annual state survey. This process went smoothly with only a two-day survey. During this past week we also had two days of staff wide COVID testing and our 3rd vaccine clinic. Guidelines and restrictions stay the same from last week as we patiently wait for the community transmission rate to drop.

I strongly encourage for everyone to visit our new Facebook page by searching Warde Senior Living. Here you will find updates and photos of activities going on in the building. Our newest post has photos of residents enjoying our Fat Tuesday celebration and residents donning party masks.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions. Please keep us in your prayers.

Thank You,

Bret Pomeroy, NHA
Administrator
