February 26, 2021

Dear Friends and Family,

I hope you all have been staying healthy and safe. We have been working diligently to keep your loved ones and our staff safe. I have a few reminders to share with you all this week.

Warde continues to follow the precautions set forth by the department of health and CMS. Over the past few weeks not much has changed. Warde will not see any new changes in the reduction of precautions until Rockingham county's positivity rate drops. Currently the county sits at around 13% and we need to be below 10% for the next phase.

I would like to personally thank the Sisters of Mercy for their generous donation of a Chinese food luncheon, in appreciation of our hardworking staff. This was much appreciated and enjoyed by us all at Warde. If you would like to see photos of the event search Warde Senior Living on Facebook.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions. Please keep us in your prayers.

Thank You,

A handwritten signature in black ink, appearing to read "Bret Pomeroy", with a long horizontal flourish extending to the right.
