April 23, 2021

Dear friends and family,

I pray you have all been staying well. I do not have any significant changes to share over the past week. We continue to stay vigilant yet optimistic of the months to come.

One thing that we at Warde are looking forward too is nursing home week. This will be taking place the second week of May. Our staff has been putting in much effort and planning of the festivities to span the entire week. The theme for this year is "Through the Seasons". Be sure to follow us on Facebook for photos of events and festivities.

As the weather continues to get warmer we will be working on setting up outside visitation. This will help to increase the availability of time slots that can be reserved for a visit. This will coincide with the inside visitation. Please reach out to reception to schedule your visit.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy
Administrator
