May 7, 2021

Dear friends and family,

I pray you have all been staying well. We continue to stay safe and optimistic as spring is upon us. I have a few updates to share from the past week.

One major change is on the nursing home; we are back to point of service dining. Our steam table and dietary staff are back up on the floor. Walking up to the floor this morning and smelling the breakfast aromas is a sign of progress to come.

We are also very excited for nurses week and our celebration of all of our excellent nurses. We are very blessed to have so many kind and compassionate nurses that take care of our residents every day. This year has been particularly difficult and I commend them all for their dedication and reliance.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy  
Administrator
