Dear friends and family,

I hope you have been having a nice week as temperatures get warmer. We continue to stay safe and optimistic as spring is upon us. I have a few updates to share from the past week.

This week has been a week full of joy and laughter. Once a year we have nursing home week which is a week of celebration. This week we followed the four seasons. Having a Christmas party one day then the next a fall carnival with apple treats. One of the liveliest events was having live entertainment out by the field. Many residents moved to the rhythm enjoying songs from their past. We hope this is a sign of change for our future.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy
Administrator
