Dear friends and family,

From all of us here at Warde I hope you have been having a wonderful week. As precautions in the community loosen up we continue to stay vigilant for the safety of your loved ones. It has been fantastic to see many family members in for visits.

It has been great to see so many faces we have not seen in so long. We encourage you to come in for visitation whether it be in your loved one's room, our visitation room, or outside. We have many options to hopefully accommodate your availability whether it be weekday, weekend, day, noon, or night. We do ask you call ahead of time to schedule with the front desk. This helps us to make the screening process as smooth as possible.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy
Administrator
