June 4, 2021

Dear friends and family,

We hope you are all doing well and enjoying the summer weather. As of this week we do not have any drastic new changes to the Covid-19 precautions to report. Community transmission continues to drop and we patiently wait for loosening of restrictions over the next month.

I would like to announce a new addition to our team starting this coming Monday. Dawn Davis RN will be joining Warde as the new Director of Nurses for the nursing home. She comes to us with much knowledge and many years of experience. Amanda Hilker RN will be staying on to assist with a smooth transition then transitioning back to her role with our home office. We thank her for her leadership and dedication to Warde.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy
Administrator
