June 18, 2021

Dear friends and family,

I would like to start with wishing everyone a happy Father's Day. As of this week we do not have any drastic new changes to the Covid-19 precautions to report. We continue to follow current precautions and stay safe.

This coming week we will be celebrating LNA week. We would like to thank our LNA's for their dedication and hard work over the past year. It has been a year that most have never experienced or hope to never experience again. We would not have made it without their resilience and strength. Thank you from the bottom of our hearts.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy
Administrator
