Dear friends and family,

I hope you all are having an excellent summer. We have been enjoying the warmer less rainy weather this week. We continue to follow current precautions and stay safe. At this time, we do not have any new COVID-19 updates. We continue to stay vigilant though and track any changes that may arise because of the variant.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy
