August 20, 2021

Dear friends and family,

Here at Warde we hope you are all doing well and staying safe. We continue to follow current precautions and stay vigilant to any changes that may occur due to the new variant. I have just a few updates from over the past week.

In light of everything going on in regards to COVID we are still working to keep everyone as engaged and positive as possible. This past week we took a group of gentlemen out on the bus for cold drinks and burgers. We were also fortunate to have live entertainment out on the deck. We continue to take it one day at a time.

Kindly remind your extended family and friends to please call a day in advance, if possible, to schedule a visit with one of our residents. This helps the nursing and assisted living floor staff to have an idea how many visitors will be in the building.

As a reminder, Warde has a COVID-19 update page with key information specific to our community at <https://wardehealthcenter.org/covid-19-update/>. I would encourage you to review the updated information weekly. Information regarding facility wide testing will also be reported on this site.

Please do not hesitate to reach out to our director of nurses or myself, if you have any questions.

Peace,

Bret Pomeroy
Administrator
