Paws and Purrs

It doesn't get any cuter than March 23, when it is both Cuddly Kitten Day and National Puppy Day. The debate between cat people and dog people rages on. At the Westminster Dog Show, dog authorities argue that they are outgoing while cat people are more aloof. Cat owners over at the Black Diamond Cat Show say they are more intelligent and independent than their dog-owning counterparts. According to researchers, dog people are more extroverted, agreeable, and conscientious. Cat lovers are a bit less traditional and more artistic. Both parties, however, love to cuddle.

Verses and Voices

World Poetry Day, initiated by UNESCO in 1999, arrives on March 21 to honor globally the artistry and diversity of poetry. It pays

homage to poets who craft words into emotion, images, and storytelling, transcending boundaries and enriching human experiences.

You can mark the occasion by sharing favorite poems with friends or family, attending poetry readings or events, or even trying your hand at writing a short poem. Dive into different poetic styles, from traditional sonnets to modern spoken word, exploring the richness of expression they offer. You might also support local poets or poetry organizations, sharing their work on social media or attending their performances. Whether you choose to write, read, or listen to poetry performed, World Poetry Day invites us to immerse ourselves in the beauty and power of words.

February Greetings to Our Friends & Family

I hope this newsletter finds you all happy, healthy and full of luck & blessings this St. Patrick’s Day and Easter 2024.

A few updates that I would like to share with you. On Tuesday, February 20, 2024, we had our NH DHHS Annual State Survey for our Assisted Living Community. We were found to be 100% in compliance with all regulations, policies and procedures related to our NH Assisted Living license. Congratulations to our Associates on a job well done!!

You may have noticed that our Skilled Nursing Unit/Long-term Care community at Warde Senior Living is receiving a renovation. We are updating all of our flooring throughout the unit – the hallways, common areas, dining room, nursing station, offices and resident rooms. We thank you for your patience navigating to your loved one’s room as we get this project completed as soon as we can. The project should be completed over the next two (2) weeks. We are excited to give our residents new and updated flooring. We will also be touching up the paint as well in the hallways and rooms, where needed!!

We are also going to remove the wallpaper that is in the balcony chapel area of the 2nd floor. We will be having that painted by a local company on Monday, February 26th! Once the paint is completed, the new floor will be placed.

Did you know that Sunday, March 3rd is National Unplug Day?? Take this day to step away from all of your electronics! Unplug yourself from all of the happenings in the world today and all of Social Media!! Plug yourself into your family and your loved ones. Time spent with family and loved ones is so precious and priceless!! It is only for 1 day – YOU CAN DO IT!!!
