

April Greeting Continued

Vaccination Clinic: On Wednesday, April 8th, Warde Senior Living will be offering our Vaccination Clinic for the most recent vaccines from 10:30am-1pm in the Gathering Room. We are working in conjunction with Shaw's/Osco Pharmacy to provide this clinic to our residents, associates and family members. If you are interested in receiving your updated vaccine, please stop by reception and complete the consent form.

Projects, Projects, Projects! Project #1 – As you may or may not know, we are transforming our 2nd floor Assisted Living of 16 rooms into a Short-term Rehabilitation Unit for patients who need skilled nursing and therapy. The project is projected to be completed by the end of May, beginning of June 2026. Our Nursing Home license will increase from 32 beds to 48 beds and our Assisted Living license will decrease from 39 units to 23 units. Project #2 – upgrade to the municipal water system. Warde will be tying into the municipal town water line down by St. Matthew's Church on Route 111. This work should begin this Spring. We appreciate everyone's support, patience and cooperation as we continue to improve Warde Senior Living!

As always, we, the associates, at Warde Senior Living, thank you for giving us the privilege of caring for your loved one. We are happy that you have placed your trust in us.

With Spring and Easter Blessings,

*Shari L. LaRoche, MS LNHA

Letters in Action

National Scrabble Day, celebrated every April 13, is the perfect excuse to dust off your tiles and show off your word skills. Since its creation in 1938 by Alfred Butts, Scrabble has challenged players to turn letters into clever combinations, scoring big points while occasionally learning a new word or two. On National Scrabble Day, players embrace the challenge of crafting the highest-scoring words and reveling in the joy of landing a triple-word score. Even if you're not a seasoned pro, the day is a fun reminder that words can be playful, powerful, and sometimes tricky. Some enthusiasts share words or post photos of game boards mid-battle on social media. Schools, libraries, and community centers often host Scrabble events to encourage literacy and spark a love of language. So grab your tiles, find a worthy opponent, and celebrate the delightful challenge of Scrabble.

April Greetings to All Our Friends and Families

I hope this newsletter finds you all happy and healthy. Spring in the air, warmer weather is coming! We are looking forward to our Spring days ahead.

We celebrated many special events in the month of March. I hope that you were able to see all of them on our Facebook page! We celebrated LTC Administrator Week, Social Service Month (thank you, Julia!), and Dietician Day (thank you, Amy!). We celebrated St. Patrick's Day and our 1st Day of Spring! Food, Fun and Smiling Faces made all of these events memorable for our residents and associates!

Warde recently completed our Annual New Hampshire Department of Health & Human Services surveys for both our Skilled Nursing Unit and Assisted Living. On March 3rd and 4th, three surveyors conducted the Skilled Nursing survey. We are proud to share that we received only one minor deficiency. Our Skilled Nursing Life Safety Survey, completed on March 4th, also resulted in just one deficiency. At the same time, two surveyors reviewed our Assisted Living program on March 3rd, and we achieved 100% compliance—an outstanding accomplishment. The Assisted Living Life Safety Survey resulted in one deficiency. Overall, across six surveyors and multiple surveys, Warde achieved excellent results. We are incredibly proud of our team's commitment to quality and regulatory excellence.
