

July Greeting Continued

The Fourth of July—also known as Independence Day or July 4th—has been a federal holiday in the United States since 1941, but the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution.

On July 2nd, 1776, the Continental Congress voted in favor of independence, and two days later delegates from the 13 colonies adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 to the present day, July 4th has been celebrated as the birth of American independence, with festivities ranging from fireworks, parades and concerts to more casual family gatherings and barbecues.

We wish everyone a summer that is filled with sunshine, warmth and blessings!! As always, we, the associates, at Warde Senior Living, thank you for giving us the privilege of caring for your loved one. We are happy that you have placed your trust in us.

Night of Nights

Morse code, that method of communicating letters using long and short signals of sound or light, seems old fashioned. After all, commercial Morse radio stations have been defunct for almost three decades. The last U.S. transmission went out on July 12, 1999, and read, “What hath God wrought”—which is also the first message sent by Samuel Morse in 1844. It was a sad night for those who had used Morse code throughout their lives. The abandoned station was filled with old rotary phones, manual typewriters, teletype machines, and telegraphy keys, some dating back to the time of Samuel Morse. What a pleasant surprise when the airwaves sprang to life again with buzzing and beeping on July 12, 2000. This was the first “Night of Nights,” when for one night, an old maritime radio station on the coast of northern California sent out Morse transmissions. The tradition has been carried on ever since.

July Greetings to All Our Friends and Families

We celebrated many special events in the month of June. Licensed Nursing Assistant (LNA) & Licensed Nursing Medication Assistant (LMNA) Week was celebrated with a fantastic luncheon for our associates. Each of our LNA's and LMNA's received appreciation gifts to thank them for all of their hard work they do each and every day here at WSL!! We are so very blessed to have such dedicated & committed associates caring for our residents!

We were awarded the Bronze Quality Award from the American Health Care Association. The Malcolm Baldrige Award is a National Quality Award for high achieving centers. The Bronze Award is the 1st and most important step in the Quality Journey! The Silver Award is the 2nd step and then the Gold Award. We are so very proud to have been awarded with this achievement.

Ribbon Cutting Ceremony for our new 16-room with private bath Short-term Rehabilitation Unit was held on June 25th. This new unit will serve patients who need short-term rehabilitation and nursing services following a hospital stay for an acute injury, illness or surgery. We are excited to officially open our rooms sometime in mid-July

Along with this celebration, we had other celebrations within the month of June that we captured on our Facebook page. We hope that you were able to see all of the exciting events we had in the month of June. We are looking forward to the Life Enrichment events we have planned in the month of July. Please feel free to choose a program or 2 from the Life Enrichment calendar and share in the fun with your loved one!
