Emma M. Nutt made history on September 1, 1878, when she became the first female telephone operator. It had been customary for teenage boys to be telephone operators. However, these youth proved impatient over the phone, played pranks on callers, and often used crude language. Alexander Graham Bell himself came up with the solution to hire young women, and he started by hiring Emma Nutt. Needless to say, Nutt’s cool, soothing voice transformed the new industry. Emma’s sister Stella Nutt was hired just a few hours later. Emma Nutt was so successful that telephone operation became an exclusively female profession. Indeed, women relished the professional opportunity, which was considered a step up from domestic duties and factory work. Women would operate telephones for almost the next 100 years.

September Greetings to All Our Friends and Families

Can you believe how fast the Summer of 2026 went by? I cannot believe that the Fall season is right around the corner. The trees will be changing, the weather will be getting cooler, apple picking will be done and the pumpkin spice everything will be out before we know it!!

We had lots of fun events in the month of August. Our residents enjoyed many Life Enrichment programs and activities! Be sure to check out our Facebook page (Warde Senior Living) to see all of the great pictures from our August events. Our residents had so much fun participating in these events and soaking up the last bits of sunshine and summertime!!

Warde Senior Living will be tying into the Municipal Water System. The Water project began the week of August 24th and will continue through the beginning of November. The project will be in 3 phases, the on-site work, the internal tie in from the street to the center and the large water tank that is on the property. We are hopeful that the project will be completed by Thanksgiving.

Please be sure you are staying as healthy as you can with the upcoming Fall season ahead. Warde Senior Living will be offering the FLU and new COVID vaccine to our residents, associates and contracted associates on October 12th from 10am – 1pm in our Gathering Room courtesy of Shaw’s/Osco Drug.

Special Days/Events in September: Please refer to the September Life Enrichment Calendar!

We will be celebrating National Assisted Living Week from September 13th – 19th. Our Life Enrichment associates are hard at work planning for this fantastic week for our residents. It will certainly be a fun week with many smiles & laughs. We encourage you to participate in the activities with your loved one! We will also be celebrating National Housekeeping & Environmental Services Week and National Rehab Week in recognition of our fantastic associates who work in these departments.
